

ORDINANCE #17

AN ORDINANCE AUTHORIZING OVERWEIGHT LOAD PERMITS

Pursuant to SDCL 32-14-6 be it ordained:

The Hanson County Commissioners authorize the Hanson County Superintendent of Highways to issue overweight county road permits under the following terms and conditions:

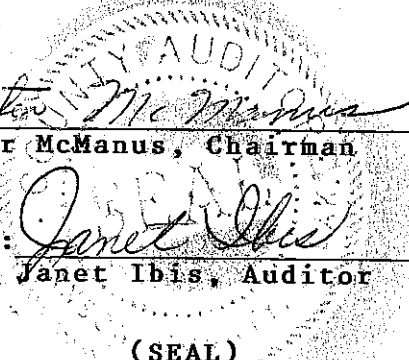

1. That the office of the Hanson County Highway Superintendent shall issue overweight permits only during the "frost season" as defined by the office of the Hanson County Highway Superintendent.
2. That in no event may such permit authorize transportation of loads that would exceed weight limits in place on county roads during the balance of the year.
3. That permits shall issue to the applicants but may be used by the applicant or his designee.
4. That permits shall issue for a designated and maximum 10 day period of overweight operation.
5. That permits shall be issued for a fee in advance in the amount of \$20.00.
6. That permits shall allow only for the transportation of loads which originate in or are destined for Hanson County, South Dakota, locations.
7. That transport of overweight loads authorized herein shall be undertaken only on county highways as designated on the issued permit.
8. That the issued permit or a copy thereof must be in the possession of utilizers during all periods of operation.
9. That the office of the Hanson County Highway Superintendent shall upon issuance of a permit, provide a copy of the same to the office of the Hanson County Sheriff forthwith.
10. That transportation of overweight loads without a permit is punishable by a fine of \$200.00 per incident per day in addition to any other civil or other criminal penalties.
